

GEOFFREY W. JOHNSTON, c.s.s, c.p.s ▶ Proactive ▶ Discreet

"My philosophy and approach to Security Risk Management and Threat Management is low-profile and proactive." - Geoffrey W. Johnston

No one is more focused than Geoffrey Johnston on anticipating, planning, and mitigating identified security and threat issues. A high-level problem solver, he tackles projects with rare dedication and a strict focus on the desired outcome.

His expertise spans the full range of security risk management and threat management operations. With nine years' of progressive security work coupled with eight years of military service, Geoff has elevated his skills to a pinnacle of service excellence.

As a Certified Security Specialist (C.S.S) and Certified Protection Specialist (C.P.S), Geoff possesses both the operational training designations and hands-on security exposure to engage and finalize diverse security projects to positive outcomes.

Frequently drawing from his wealth of security expertise and professional development, Geoff provides advice on security and risk to all levels of organizations, including the highest executives. His innate talent to engage associates at every level has benefitted companies immeasurably and solidified trust in his work.

Along with protecting organizations through transformative recommendations and project executions, Geoff dramatically reduces business interruption. His mission with each project is to moderate risk, lower liability and stress, and protect personnel and assets. He feels responsible for the long-term security of the people and organizations he works with, and he is proud to have mentored and guided many to progress in their approach to security and threat issues.

Armed with an intimate knowledge of security risk and threat management, combined with resourcefulness and creativity with data and ideas, Geoff has been the natural fit for consultant roles with corporate, executive, and private sector clients throughout North America. Most recently consulting as a subject matter expert to companies like the Energy Corp., Geoff customizes solutions to meet each unique clients' requirements - delivering with the highest level of professionalism.

TESTIMONIALS

"It is always refreshing to work with people like Gord who have a strong military background and solid work ethic. The event went off without any problems which can be directly attributed to Geoff's effective planning and execution." - Senior Executive, Energy Corp.

"We would like to recognize and thank you for your role in the delivery of the last of the statements for the major oil project hearings in January 2013. Through your adaptability and perseverance, you made a major contribution to the delivery of these statements. You showed flexibility in changing the process steps and routines in response to identified security concerns...[and] you showed perseverance when processes had to be changed at the last minute - Hearing Manager, Major Corporation.
